Buro Mentor.

An intuitive chair that does the work for you.

Leaving levers in the past, the Buro Mentor features Dynamic Intelligence™ seating technology. This mechanism intuitively responds to your weight and organic movement, supporting optimal posture and active sitting. Buro SafeTex Anti-Bacterial upholstery contains a surface inhospitable to key bacteria and mould, making this a weapon against staining, unpleasant and premature degradation.

Key Features & Benefits.

132 Nylon Base

WITH ARMS
SafeTex Olive

LUMBAR SUPPORT
Height adjustable lumbar to support your lumbar spine, promoting good posture.

SEAT SLIDE
Adjusts the seat depth to accommodate taller users and/or longer leg lengths.

INTUITIVE MECHANISM
With Buro Dynamic Intelligence™ seating technology, the Buro Mentor chair intuitively moves with your body,

buroseating

International Standards.

The Buro Mentor Mesh chair is supported by the following Internationally recognised standards:

- **AFRDI 142** Rated Load 135kg Single Shift certification[3]
- **AFRDI Green Tick Certification** Level B Gold
- **GREENGUARD Gold** certification
- **FSC® 100%** certified wood
- **Endorsed by** Australian Physiotherapy Association

Ergonomic Assessment.

The Buro Mentor Mesh chair has been ergonomically assessed by Andrew Wilson, Osteopath & Ergonomist.

"An excellent all-round chair, with no obvious faults that would suit a wide range of users. I particularly like the default posture which encourages a forward thigh tilt posture. The excellent self-weighting tension mechanism encourages the user to use the dynamic features which make a synchro chair so beneficial".

Andrew Wilson, Osteopath & Ergonomist - 25 Feb 2018

Features.

Buro Product Stewardship Programme.

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture* that they wish to dispose of, we apply the following steps to determine the most appropriate method.

Is the furniture in good working order?

YES

CUSTOMER DONATES
pre-loved furniture to local charity shop.

or

CUSTOMER CONTACTS BURO
to arrange payment to have the furniture returned to Buro's warehouse or to one of our 3PL providers.

CHECKED, RECONDITIONED & REPURPOSED
returned furniture in good working order will be thoroughly assessed. We will then clean and refurbish the furniture as necessary. Refurbishment may include replacing components like castors, bases and the gas lift; and reupholstering.

BURO DONATES
pre-loved furniture to local charity shop.

or

SOLD ONLINE
repurposed furniture may be sold via online auction.

NO

CUSTOMER CONTACTS BURO
to arrange payment to have the furniture returned to Buro's warehouse or to one of our 3PL providers.

or

DISASSEMBLED & SORTED
returned furniture that is damaged beyond repair will be broken down and sorted into its respective components.

RECYCLED
any recyclable components will be recycled by 3rd party recycling facilities.

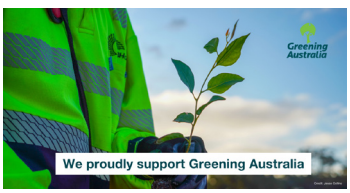

or

LANDFILL^
as a last resort, any items that cannot be recycled will be sent to landfill.

TREES THAT COUNT
Native tree supporter

To mitigate our CO_2 footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees.

By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

Buro proudly support **Greening Australia.**

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years.
www.greeningaustralia.org.au.

Sedex Member

As a **Sedex member** we are committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain.

*Qualifying furniture must be Buro branded product (Buro Seating, Konfurb, Mondo), or a partner exclusive brand.
^Many of our products are GREENGUARD certified for safe emission levels. This reduces the environmental impact when sending any components to landfill.
